

Saturday 22 June Planet Egypt

Tonight we honour Leading Lady of the UK Dance Scene **Josephine Wise** (JWAAD) who has revolutionised the UK Dance scene over the last 25 years or more. We have crafted most of the show tonight around her in recognition of her many achievements.

Exponents of her School accompanying her from JWAAD are:
Maelle, Gwen Booth, Nuxya, Norvell and Catherine Bartholomew.

They will showcase a variety of dance disciplines in keeping with the variety that you can normally expect from us; Egyptian, Gypsy and a fusion of theatre, circus and comedy with bellydance

We are thrilled that we can also offer you Live Music with Leading International Musicians Emad Shaker (Keyboard) and Emil Bassili (Violin) , Aly Minyaw (Tabla and Doff) and Singers Mike Nasser Starr and tbc

We have worked hard to make this night phenomenal for you and we do hope that you will enjoy it and leave you wanting more..... our Band will take you on a musical tour of the Middle East

Our thanks to our Lovely Audience, My Team, All Performers Past and Present, Silk Bar and Mel, and Haleem Kherallah without his vision and belief we would not have existed for over 10 years

Find out more about us and our next event
